DT 2009 The 3rd International Dry Toilet Conference

One year after the International Year of Sanitation -
Are the Millennium Development Goals realistic

12-15 August 2009
Tampere, Finland

The successful Dry Toilet Conferences, DT2003 and DT2006, organised in 2003 and 2006 respectively, will be followed by the 3rd International Dry Toilet Conference from 12-15 August 2009 in Tampere, Finland.

Proposals for papers

The main theme of the Conference will be the evaluation of the achievements in sanitation after the International Year of Sanitation in light of the Millennium Development Goals.

The second announcement and call for papers will be made in September 2008. The deadline for abstract submission is 15 December 2008.

The official language of the conference is English.

The Conference will be organised in Tampere, the third largest city in Finland with a population of 200 000. Tampere is a city of commerce, technology, arts and sciences as well as an important educational centre lying between two beautiful lakes and partly on top of an imposing ridge. For further information, please visit the city's website at www.tampere.fi. The venue of the conference is Tampere University of Technology, www.tut.fi
